# *Electronic Data Reporting For Dealers*

Fisheries Statistics Office

# ELECTRONIC DATA REPORTING FOR DEALERS

- ➔ Developed for quicker, more accurate data submissions
  - ➔ Reduces overall dealer reporting efforts
  - ➔ Reduces overall data handling costs: (paper, mailing, organizing, filing, etc.)
  - ➔ Accepts standard database, spreadsheet, accounting and inventory software formats
- 
- ➔ Currently used by several fish cooperatives and privately owned dealerships throughout the Northeast Region
  - ➔ Computer programming assistance now available
  - ➔ Data submitted through Electronic Reporting will meet NMFS/NER data requirements and may be used to fulfill dealer reporting requirements including IVR call-ins.

*To join the growing number of dealers enjoying the benefits of Electronic Reporting, contact your local Field Agent for further details.*
